The public is welcome to attend.

The Fernald Community Reuse Organization (CRO) was formed to provide recommendations to the Department of Energy on social and economic development issues resulting from downsizing at the Fernald Environmental Management Project. The CRO will hold regular meetings to develop a strategy to offset the impacts of Fernald's downsizing on the local communities. The next meeting is:

**Tuesday, January 7, 1997, 7 p.m.
Ross High School Media Center
3425 Hamilton-Cleves Road, Ross, Ohio**

The CRO will continue discussions on its strategic planning process. In case of inclement weather, please call the CRO to confirm whether the meeting has been canceled or rescheduled.
